

AquaBanas[®]

Redefining Water Entertainment

***Turn your pool
into a resort!***

***Recreation Line
Volume 1***

Who are we?

Designed for adults!

AquaBanas are designed for adults. They can be used by themselves or can easily connect together to form fun and relaxing areas on the water. These ultra stable, floating decks are extremely durable and easy for people of all ages to be able to climb aboard. Their modular design allows them to be connected into various islands for more than 20 people.

Standard Features

AquaBanas are high quality inflatable floating decks (called Banas) that connect to form larger floating platforms called Bana Systems. All systems start with either the Social Bana or the Shindig Bana and include the following standard features, as applicable:

Standard Features

- 1 - Inflated Back Rests
- 2 - Gator Mouth Flaps
- 3 - Anchor Rings For Tent
- 4 - Non-slip Top Surface
- 5 - Quick Step Access
- 6 - Stabilizing Ballast Bags
- 7 - Dual Inflation Valves
- 8 - Netted Footwells
- 9 - Rock Solid Table

Gap Cap Covers between decks keep the gap sealed!

All Bana decks use Gap Caps to cover over the seam where two Banas meet. They are secured using the Gator Mouth Flaps and stay firmly in place.

Standard Features

The Bana Tent provides great shade. The Bana Decks have netted footwells as well as inflated back rests for sitting or leaning.

The Quick Step Access and non-slip top surface make access easy and comfortable for people of all ages.

The rock solid stability of the table on the Social Bana is perfect for eating, playing games, putting your phones down, and enjoying your favorite beverages.

Recreation Banas

AquaBanas Recreation Line floating decks are Redefining Water Entertainment on a global scale. These commercially built inflatables are design to be rugged and durable for multiple uses including back yard pools, boats of all sizes, and sand bars!

You can even slowly tow them out to your favorite locations with ease.

|----------------------------|--------------------------------|
| Back Yard Pools | Incredibly Stable |
| Sand Bars | No "swinging arms" walking |
| Linkable to Create Islands | Easy to set up and break down. |
| Commercial Quality | Add a Bana Tent for shade |
| Durable | Rock Solid Table |

All AquaBanas Recreation Banas /
Loungers can operate in as little as 24" of water!

Social Bana™

WOW! The Social Bana is the first of its kind. It's designed with stability and the table is rock solid to use for drinking and dining. Drop it in the pool or off the boat at your favorite sand bar to have a great place to chillax and get out of the sun. Sets up in about 15 minutes. Add a Jumbo Lounger and fit up to 9 adults comfortably!

INFLATED	250 x 250 x 50cm / 96" x 96" x 20"	WEIGHT	53 Kg / 116 Lbs
STORED	115 x 75 x 41cm / 45" x 30" x 12"	CAPACITY	458 Kg / 1008 Lbs

Shindig Bana™

The Shindig Bana is another flagship of the Recreation Banas. It's designed with stability and the table is rock solid. The table is big enough for dining and cocktails and at the same time leaves enough room on the deck for exercise or just laying in the sun. Drop it in the pool or off the boat at your favorite sand bar to have a great place to chillax. Add a Bana tent to get out the sun. Sets up in about 15 minutes.

STORED	115 x 75 x 41cm / 45" x 30" x 12"	CAPACITY	458 Kg / 1008 Lbs

Bana Tent™

The Bana Tent (BT100) makes a huge difference when playing on the AquaBanas Recreation Banas on sunny days. Some people love the shade while others worship the sun! Have it your way and use it or not with its easy connection system. The tent provides excellent shade and keeps the temperature about 25 degrees farenheit cooler in the bright sun.

STORED	115 x 75 x 25cm / 46" x 30" x 10"	CAPACITY	N/A

Circular Bana™

Our Circular Bana provides a great place for people to sit and either put their feet in the water or not. It has an AquaBanas standard connection system which allows it to be a part of a larger island system or an addition to another Recreation Bana / Lounger. The non-slip top surface makes it easy to stay seated without sliding off, while the backrest provides a great place to sit or rest against.

Rock Solid Table

INFLATED	340 x 250 x 40cm / 133" x 96" x 16"	WEIGHT	35 Kg / 77 Lbs
STORED	115 x 75 x 25cm / 46" x 30" x 10"	CAPACITY	550 Kg / 1208 Lbs

Junction Bana™

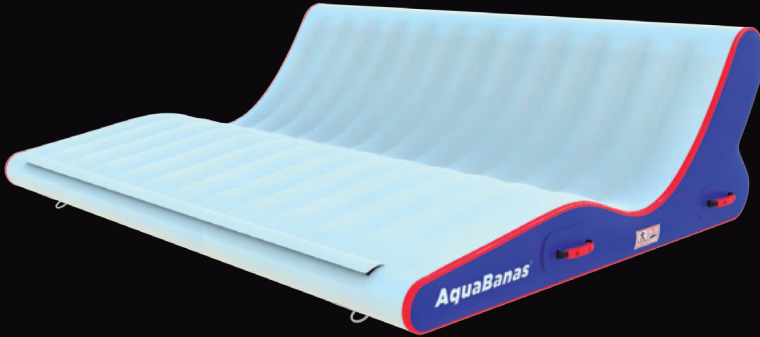

The Junction Bana allows multiple Bana decks to form inflatable island systems. You can easily connect them together. Link as many of these as necessary to ensure everyone has enough space and the inflatable island can be built to match your needs, whether off your boat, in your backyard, or in a resort pool.
