

POLYWOOD®
rethink outdoor™

Genuine POLYWOOD® Lumber

Available in two
unique finishes

Our furniture is constructed of genuine POLYWOOD lumber, an all-weather, easy-to-clean material that's made using landfill-bound and ocean-bound plastics.

Classic Finish

Our original lumber finish, Classic Finish, is a timeless, smooth texture with a satin painted wood appearance.

Vintage Finish

Our Vintage Finish was inspired by wire brushed textures and the richness of matte painted wood.
